Cancer Care Nova Scotia and the Nova Scotia HomeCare Association are pleased to offer a Palliative Care Interdisciplinary Education Workshop in Dartmouth NS. This workshop is designed to enhance the care provided to palliative care patients and their families in all care settings. It focuses on the provision of education for all members of the front-line care team. It is non-technical in nature and is suitable for family caregivers. Participants engage in an interactive program, including lectures, exercises, small and large group discussions, and the application of theory to cases. Topics will include:-

- Principles of Palliative Care
- Dealing With Death Personally
- Interdisciplinary Team
- Pain Management
- Personal Care
- Symptom Management
- Cultural Considerations
- Spiritual Considerations
- Family-Centered Care
- Paediatric Palliative Care
- Communication
- The Dying Process
- Legal Issues
- Funeral Planning
- Grief and Bereavement
- Self-Care and Closure

A *Certificate of Participation* will only be issued to participants who complete the full four-session workshop.

Registration deadline is Sept 2nd. Space is limited to 90 people: please register early. Registration IS NOT guaranteed until payment is received. Register & pay securely online.

No refunds will be given for cancellations after Sept 2 or for 'no-shows' on workshop days. However, substitutions may be accepted up until 10am on Sat. Sept 10.

Note: NSHCA is pleased to discount the workshop fee for members of the following organizations:-

Cancer Care Nova Scotia, Caregivers Nova Scotia, CARP, and the Seniors College Association of Nova Scotia.
